### Rovers easy victory

Rovers head towards the top of the table following a convincing 5-1 win at Plain Ham. Ben Lacey and Rob Banfield both scored twice with the other goal coming from James Hailston. It could have been even better but Lacey missed a penalty!

Unfortunately Brad Allen (lacerated ankle) and a Larkhall player were both taken to hospital after an incident in the 3rd minute.

The update on Brad is that he has broken his ankle. He was taken to the Bath Royal United Hospital on Monday. The medical staff treated his wound, but as his ankle was badly swollen they were unable to take an x-ray. He went back on Tuesday and the x-ray confirmed the break.

On behalf of everyone at the club we wish both players a speedy recovery.
